Lecture Summary:

The session has been started after the felicitation of guests by Dr. Kemkar sir and Prof. Indu madam. Both the trainers have been again introduced by Mrs. Neeleshawri Sharma and afterwards the session with Mr. Sunil Bahirat sir gets continued. First few minutes Mr. Sunil sir

has been advised the students about the concept of comfort zone and the parameters of balance in life.

Again, he throws a light upon the difference between conscious and subconscious mind. The session go ahead with the presentation of beautiful motivational videos and the activities which has been proven that the real power of subconscious mind. Trainer introduced the students the formula of success $E + R = O$ where, E= Events, R= Response and O =Outcome Result. The session goes ahead with “Law of Attraction” and how to apply it in a real life. Also he advised about the awaking the Genie which is present in all of us. The session concluded with again the demonstration of the power of subconscious mind upon students.
