2. Mrs. Girija Nair, C.E.O & Founder of careerfutura.com,
C.E.O & Founder of startupmentor.com and ex-founder of
naaptol.com
Contact No. : 020 6526 8686
Topic of Discussion : **Life Skills, What actually required for getting Employable**

Lecture Summary:

The session has been started with the introduction of both the guests by second year MBA Student Ms. Priyanka Malve who is already serving in the EDU WALKER organization as Executive-Business development. Mr. Avinash Deshmukh has spoken on the right way to build a career and which skills are required for it. He also thrown a light upon the skills which any person has if she/he will develop it then definitely he will get successful and there will be no fear of recession.

Mrs. Girija Nair told about in today's world what actually required to getting employable. She had a good interaction with all the students regarding choosing a career path for their bright future. The session concluded with the tests and analysis given by the EDU WALKER Company to know about the overall personality i.e. career assessment, logical reasoning, vocabulary, numerical ability
