ENTREPRENEURSHIP DEVELOPMENT CELL

REPORT

‘A DAY WITH A PROFESSIONAL’

10TH MARCH 2017

The **ENTREPRENEURSHIP DEVELOPMENT CELL** of Dr D Y Patil School of Management have be formed in the Academic Year 2012-13, with a vision of providing students with the capability of identifying entrepreneurial opportunities that will allow the growth and success of every student throughout and to build an interdisciplinary learning environment which will enable a student to learn and exploit to best advantage the new opportunities available in the economy , empower a student to see new business opportunities and to carry them to realization with proper professional backing and assistance thus being the future job providers rather than job seekers.

The main objective of this program is to provide students with practical field approach rather than theoretical approach. To plan and implement it, is the skill set that we are trying to develop in our students. For inculcating this approach we have developed ‘**A Day with the Professional**’ activity for our students on **10th March 2017**.

Under this activity the student were expected to spend an entire day with a professional, record the work of the professional and derive knowledge of the working of the professional thereby gain practical field experience and submit a report.

A total of 77 students have registered for this program and have worked under 23 professionals ranging from entrepreneurs to skilled professionals. Feedback about the student's performance was collected from the professionals.
