### EMPLOYER FEEDBACK ANALYSIS 2018-19

Feedback for Overall Institute and Academic process		
For the Academic Year 2018-2019		
Sr No.	Particulars/Name	Average Score
1	Relevance to Curriculum	8.7
2	Suitability of Curriculum	8.5
3	Proficiency in Content	8.6
4	Knowledge of Subjects	8.1
5	Collaboration Skill Level	8.9
6	Communication Competence	9
7	Organization Effectiveness	8.7
	Overall Average	8.6

### Analysis

- **Relevance to Curriculum 8.7:**

This indicates that the curriculum or coursework studied by the individual is highly relevant to the job or field they are inquiring about. Employers see this as a positive attribute because it suggests the candidate has acquired knowledge and skills that directly apply to their role.

- **Suitability of Curriculum 8.5:**

This suggests that the curriculum studied by the individual is suitable for the job or role in question, but perhaps not as perfectly matched as in the case of "Relevance." It implies that while the coursework is appropriate, there may be some areas where additional learning or adaptation is needed.

- **Proficiency in Content 8.6:**

This criterion indicates that the individual has demonstrated a good level of proficiency in the content covered by their education or training. Employers see this as a positive sign that the candidate has mastered the necessary knowledge and skills.

- **Knowledge of Subjects 8.1:**

This suggests that the individual possesses a solid understanding of the subjects relevant to their field or job. While the score is slightly lower compared to other criteria, it still indicates competence and understanding in the core subjects required for the role.

- **Collaboration Skill Level 8.9:**

This high score indicates that the individual has strong collaboration skills, which are highly valued in many workplaces. It suggests that the candidate can work effectively with others, contribute to team efforts, and communicate well within a collaborative environment.

- **Communication Competence 9:**

A score of 9 in communication competence indicates that the individual excels in communication skills. This is crucial as effective communication is essential in virtually all roles and industries, demonstrating the ability to convey ideas clearly, listen actively, and engage effectively with others.

- **Organization Effectiveness 8.7:**

This score indicates that the individual is effective in organizing their work and tasks. Employers value organizational skills as they contribute to efficiency, productivity, and the ability to meet deadlines consistently.

4	Knowledge of Subjects	9
5	Collaboration Skill Level	9
6	Communication Competence	9.2
7	Organization Effectiveness	8.9
	<b>Overall Average</b>	<b>9.0</b>

### Analysis

- **Relevance to Curriculum 9:**

A score of 9 indicates that the individual's academic background is highly relevant to the job or field they are applying for. This suggests that the candidate has studied subjects that directly align with the requirements of the role, which is very attractive to employers. It implies that the candidate can bring in-depth knowledge and skills that are immediately applicable.

- **Suitability of Curriculum 8.8:**

This score suggests that the individual's coursework is very suitable for the job or field, with minor areas where additional adaptation or learning might be beneficial. Overall, it indicates a strong alignment between the candidate's education and the demands of the role, reflecting a solid foundation in relevant areas.

- **Proficiency in Content 9.2:**

A score of 9.2 indicates an exceptional level of proficiency in the subjects studied. This implies that the individual not only understands the theoretical concepts but also possesses practical skills and knowledge that exceed typical expectations. Employers would see this as a strong indicator of the candidate's capability to perform tasks at a high level of competence.

- **Knowledge of Subjects 9:**

This score reflects a comprehensive understanding of the core subjects relevant to the field or job. It suggests that the individual has a thorough grasp of fundamental principles and theories, which is crucial for applying knowledge effectively and adapting to new challenges within their area of expertise.

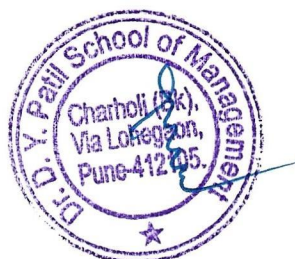

- **Collaboration Skill Level 9:**

A score of 9 indicates excellent collaboration skills. This suggests that the individual can work effectively with others, contribute positively to team efforts, and foster a productive working environment. Strong collaboration skills are highly valued as they promote teamwork, innovation, and organizational cohesion.

- **Communication Competence 9.2:**

Similarly, a score of 9.2 in communication competence indicates exceptional proficiency in both verbal and written communication. This suggests that the individual can articulate ideas clearly, listen attentively, and convey information effectively across various mediums. Strong communication skills are essential for building relationships, influencing stakeholders, and achieving organizational goals.

- **Organization Effectiveness 8.9:** This score reflects the individual's ability to organize tasks, manage responsibilities efficiently, and meet deadlines consistently. It suggests that the candidate is well-structured, reliable, and capable of handling multiple priorities effectively. Employers value organizational effectiveness as it contributes to overall productivity and operational success.

**Report of Employer Feedback on Curriculum**

Dr. D. Y. Patil School of Management has gathered input on the MBA programme that the institute offers for the Academic Year 2022–2023 from a variety of stakeholders. Businesses that have recruited our students have provided feedback, which has been gathered by the Institute with the help of its internal quality assurance cell. IQAC was provided with a report that was compiled after the data obtained from the employers was examined.

**The Feedback Questionnaire-**

- 1 How would you assess the courses' relevance to the program's curriculum?
- 2 How would you assess the curriculum's suitability?
- 3 How would you rank our students' level of proficiency regarding the course content?
- 4 How well do you think our students know their subjects regarding the programme curriculum?
- 5 How would you rank the level of skill of our student(s) collaborating with you?
- 6 How would you rank the ability of our students working with you to communicate?
- 7 How would you assess the organization's relevancy of the curriculum?

**Rating Category**

- 1 Very Good
- 2 Good
- 3 Satisfactory
- 4 Need Improvement

**1. How would you assess the courses' relevance to the program's curriculum?**

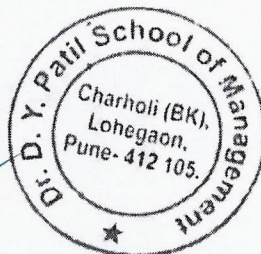

Of the total respondents, 35% of them assessed the program's course curriculum's relevancy as very excellent, while 55% of them thought it was good. The remaining 10%, though, thought it was adequate.

**2. How would you assess the curriculum's suitability?**

40% of the total respondents gave the program's courses a very good or good rating for relevance, while 50% gave it a high or excellent rating. The remaining 10%, however, found it to be acceptable.

**3. How would you rank our students' level of proficiency regarding the course content?**

The proficiency level of our student(s) in regard to the course topic was scored as excellent by 60% of the respondents and good by 45% of the respondents.

**4. How well do you think our students know their subjects regarding the programme curriculum?**

55% of respondents said our students' topic knowledge while dealing with employers related to the Programme Curriculum was excellent, while 43% thought it was good. The remaining 2% of respondents thought it was adequate.

**5. How would you rank the level of skill of our student(s) collaborating with you?**

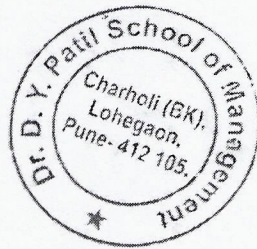

The proficiency of our kid or students was regarded as very good by 60% of the respondents. However, the remaining 50% of respondents rated it favorably.

**6. How would you rank the ability of our students working with you to communicate?**

The communication ability and research aptitude of our students were regarded as excellent by 50% of the respondents and good by 41% of the respondents, respectively. However, the remaining 9% of respondents thought it was adequate.

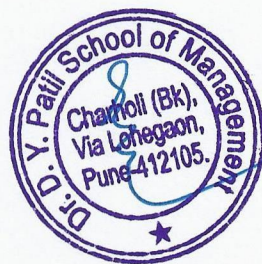

**7. How would you assess the organization's relevancy of the curriculum?**

The applicability of the curriculum to the organization was regarded as very excellent by 50% of the respondents and good by the remaining 45%. Employers' comments on the curriculum are helpful in identifying, comprehending, addressing, and evaluating issues with curricular elements and the teaching-learning process. Consolidated comments on many topics relating to various university academic disciplines would be helpful when designing, redesigning, and revising the curriculum.
