Date: 03rd January 2020

Venue: Library

Participants: MBA I Year Students, Faculty Members

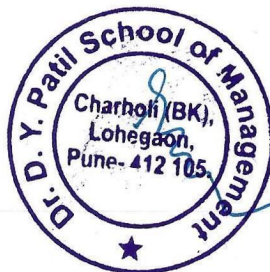

On 3 January, Dr. D. Y. Patil School of Management celebrates Savitribai Phule Jayanti with a variety of events and activities.

Savitribai Phule was a visionary who believed that education was the key to empowering women. She founded the first girls' school in Pune, Maharashtra, in 1848. This was a brave deed at a time when girls were not permitted to attend school.

Savitribai Phule worked hard for women's rights. She worked against child marriage and female infanticide. She also worked to improve women's status in society. Savitribai Phule's work had a major effect on the lives of Indian women. She is considered as one of the most significant individuals in the history of women's rights.

In Pune, Maharashtra, Savitribai Phule's birthplace, the day is celebrated with a special ceremony at the Savitribai Phule Pune University. The ceremony features speeches, performances, and the presentation of awards to deserving women.

Savitribai Phule Jayanti remembers a remarkable woman who dedicated her life to improving the lives of women and children in India. It is also a day to reflect on the progress made in women's education and social reform, as well as to once again dedicate ourselves to the still-unfinished task.

Report On "Dussehra Cultural Celebrations"

Date: 7th October 2019

Venue: Ground Floor

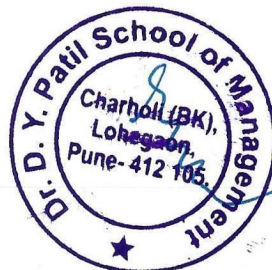

Participants: MBA I Year Students, Faculty Members

One of India's most celebrated festivals, Dussehra, commemorates the victory of good over evil. It is a ten-day festival that culminates on the tenth day, known as Vijayadashami, marking Lord Rama's victory over the demon king Ravana. Colleges throughout India host vibrant Dussehra celebrations, fostering a sense of unity, cultural awareness, and renewal of spirit among students.

Dussehra celebrations are extremely important in colleges because they allow students to: Connect with India's rich cultural heritage: Dussehra has its roots in Hindu mythology and traditions, giving students the opportunity to gain insight into India's cultural weaving.

Instill positive and negative values: The Ramayana, a great story associated with Dussehra, teaches valuable lessons about morality, perseverance, and the victory of good over evil.

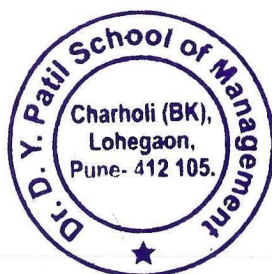

College Dussehra celebrations are an active and improving experience that connects students to India's cultural heritage, supports the values of good over evil, and promotes a sense of community and unity. The spirit of Dussehra persists as the resonances of the Ram Leela fade and the remains of Ravana's image propagate, reminding students of the importance of maintaining morality and attempting for a world where goodness wins over evil.
