## **NOTICE**

**(Under IQAC)**

In light of the ongoing global pandemic, we understand the importance of spreading awareness about COVID-19 to ensure the health and safety of our community. With this in mind, we are pleased to announce the organization of a **COVID-19 Awareness Program**.

**Date: 08.01.2021**

**Time: 10.00 am**

**Venue: Alandi Gaon ,**

### **Agenda:**

- 1. Introduction to COVID-19:** Understanding the virus, its transmission, and symptoms.
- 2. Preventive Measures:** Exploring the importance of vaccination, practicing good hygiene, and maintaining social distancing.
- 3. Myths and Facts:** Dispelling common misconceptions surrounding COVID-19.
- 4. Community Engagement:** Discussions on how we can collectively contribute to curbing the spread of the virus.

### **Safety Precautions:**

- All attendees are required to wear masks throughout the program.
- Hand sanitizing stations will be available at the venue.
- Please maintain a safe distance from others during the event.

Your participation in this awareness program is crucial in fostering a safer and healthier environment for all.

**REPORT**  
**(Under IQAC)**

**Name of the Event: COVID-19 AWARENESS**

**Date/ Day /Time: 08.01.2021, Friday**

**Place: Alandi Gaon at 10:00 am**

**No. of Participants: 06**

**Introduction:**

Dr. D Y Patil School of Management Lohegaon visited Alandi Gaon. In this activity covid awareness program included. In the Covid awareness program. As we navigate through these unprecedented times, it's essential to stay informed and proactive in protecting ourselves and our communities against the Covid-19 virus. In this program, we'll delve into vital information regarding prevention, symptoms, vaccination, and strategies for maintaining well-being during this challenging period. Let's unite in our efforts to combat the spread of Covid-19 and safeguard the health and safety of everyone around us.

**Objectives:**

1. Educating the public about the signs and symptoms of Covid-19.
2. Promoting preventive measures such as hand hygiene, mask-wearing, and social distancing.
3. Encouraging vaccination to reduce the spread of the virus and protect individuals and communities.
4. Dispelling myths and misinformation about Covid-19.
5. Empowering individuals to make informed decisions about their health and safety.
6. Supporting vulnerable populations with targeted education and resources.
7. Fostering community engagement and cooperation to combat the pandemic effectively.

### **Program Outcomes: -**

Increased Covid awareness benefits society in several ways:

1. **Prevention of Transmission:** When individuals are aware of how Covid spreads, they are more likely to practice measures such as wearing masks, practicing good hand hygiene, and maintaining physical distance, thereby reducing the transmission of the virus within communities.
2. **Early Detection and Treatment:** Awareness about Covid symptoms prompts individuals to seek testing and medical care promptly if they suspect they have been infected. Early detection and treatment can help prevent severe illness and reduce the burden on healthcare systems.
3. **Reduced Stigma and Discrimination:** Covid awareness campaigns can help dispel myths and misconceptions about the virus, reducing stigma and Discrimination against affected individuals or communities.
4. **Improved Compliance with Public Health Measures:** When people understand the rationale behind public health measures such as lockdowns, travel restrictions, and vaccination campaigns, they are more likely to comply, leading to more effective control of the pandemic.
5. **Support for Vulnerable Populations:** Increased awareness can lead to greater support and resources being allocated to vulnerable populations who are disproportionately affected by Covid, such as the elderly, immune compromised individuals, and those in low-income communities.

Covid awareness campaigns often include information on coping strategies, mental health resources, and ways to stay connected with others while physically distancing. This can help mitigate the psychological impact of the pandemic on individuals and communities.

Overall, Covid awareness plays a crucial role in empowering individuals to protect themselves and others, reducing the impact of the pandemic on society as a whole.

**Extension & Outreach Program Report**

**(Under IQAC)**

<b>Name of the Event:</b> Mask Distribution at Charholi Village
<b>Date/ Day /Time:</b> 09.01.2021
<b>Place:</b> Charholi Village
<b>Total No. of Participants:</b> 10

**Introduction:**

The mask distribution event at Charholi Village aimed to raise awareness about the importance of wearing masks and educate the people on proper mask usage. The event was organized to address the pressing need for preventive measures against the spread of contagious diseases, especially in educational settings.

**Objectives:**

1. To educate people about the significance of wearing masks in preventing the transmission of diseases.
2. To demonstrate proper techniques for wearing and disposing of masks.
3. To distribute masks.
4. To encourage people to become ambassadors for mask usage within their families and communities.

**Program Details:**

**1. Introduction Session:** The event commenced with an introductory session, where the importance of wearing masks was highlighted. Basic information about the transmission of diseases and the role of masks in preventing infections was discussed.

2. **Demonstration:** A practical demonstration on the correct way to wear, remove, and dispose of masks was conducted. This session aimed to ensure that students understood the proper techniques to maximize the effectiveness of mask usage.

3. **Mask Distribution:** Following the demonstration, masks were distributed to all students and staff members of the Charholi Village. Each participant received a sufficient supply of masks to cover their needs for the foreseeable future.

4. **Interactive Session:** An interactive Q&A session was held to address any queries or concerns regarding mask usage. Students were encouraged to actively participate and share their thoughts on the importance of wearing masks.

### Masks Distribution by Prof. Rajendra Payal

## Mask Distributed to women at Village

### **Program Outcomes:**

- 1. Increased Awareness:** The event successfully raised awareness among students about the significance of wearing masks as a preventive measure against the transmission of diseases.
- 2. Enhanced Knowledge:** Participants gained a better understanding of the proper techniques for wearing and disposing of masks, ensuring their effectiveness.
- 3. Community Engagement:** By distributing masks to villagers, the event fostered a sense of community engagement and responsibility towards public health.
- 4. Empowerment:** Villagers were empowered to take on the role of ambassadors for mask usage within their families and communities, thereby extending the reach of the awareness campaign.

### Feedback from Community Person:

Mr. Lande Said Overall, the mask distribution event at Charholi was highly successful in achieving its objectives of spreading knowledge about mask usage and promoting preventive measures against the spread of diseases. The event not only equipped participants with the necessary resources but also empowered them to take proactive steps towards safeguarding their health and that of others in their community.
