INTRODUCTION:

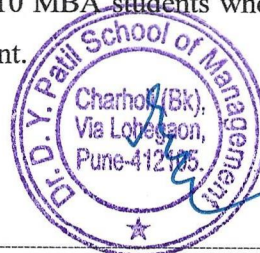

Matruchhaya Balak Ashram is an NGO which is founded by Mr. Anand Gate. Matruchhaya is non-governmental organization (NGO). Visit to “Matruchhaya Balakashram” was held on 15th Sept. 2022 organised by Dr D Y Patil School of MBA, Lohegaon,, Pune. The visit aimed to distribute fruits and spend quality time with the children.

OBJECTIVES:

The primary objective of the program was to distribute nutritious eatables to the children at Matruchhaya Balak Ashram. Additionally, the visit aimed to spread joy and provide the children with a memorable and positive experience through meaningful interactions.

PROGRAM DETAILS:

The program was thoughtfully designed to deliver not only nutritional support but also moments of happiness and care to the children at the ashram. The distribution of fruits was complemented by interactive sessions where students engaged with the children, sharing stories and participating in games. This initiative involved 10 MBA students who dedicated their time and efforts to ensure the smooth execution of the event.

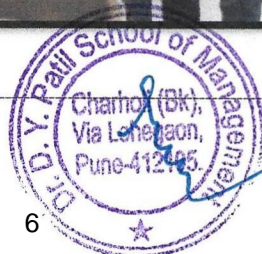

GLIMPSES OF THE PROGRAM:

Prof Sheetal giving fruits to Children at Balakashram

Students after Interaction with the children at Ashram

OUTCOMES:

Nutritional Support

The distribution of nutritious eatables ensured that children received healthy snacks, contributing to their overall well-being.

Joy and Happiness

The interactive sessions and distribution of treats brought smiles to the children's faces, providing them with moments of joy and happiness.

Engagement

The active participation of children in the interactive sessions fostered a sense of belonging and community, making them feel valued and cared for.

Positive Impact

The visit created a positive impact on the children, leaving them with cherished memories and a sense of being cared for by the larger community.

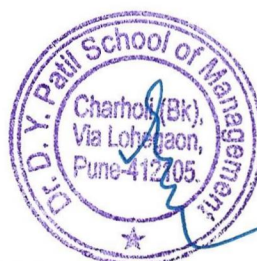

The visit to Matruchhaya Balak Ashram not only fulfilled its objective of distributing nutritious eatables fresh fruits but also succeeded in spreading joy and positivity among the children. The collaborative efforts of the MBA students from Dr. D Y Patil School of MBA, Lohegaon, Pune, made the event a memorable and impactful experience for all involved.

REPORT

(Under IQAC)

Name of the event: Awareness on AIDS

Date/ Day /Time: 01.12.2022, Thursday

Place: Pride World City, Charholi

Total No. of Participants: 17

About the Program:-

In light of the critical need to spread awareness about AIDS (Acquired Immune Deficiency Syndrome) and combat the stigma associated with it, an awareness event was organized at Labour Society, Pride World City, Charholi. The primary objective of this event was to educate students and staff members about the precautions and prevention measures to be taken when in contact with AIDS patients. By disseminating accurate information, we aimed to empower individuals to make informed decisions and contribute to preventing unnecessary health issues.

Objectives:

1. To educate community people about the basics of AIDS, including its transmission and prevention.
2. To dispel myths and misconceptions surrounding AIDS.
3. To emphasize the importance of practicing safe behaviors to prevent the spread of HIV/AIDS and encourage early detection.
4. To provide guidance on how to support and interact with AIDS patients without discrimination.
5. To encourage students to become advocates for AIDS awareness in their communities.
6. To give knowledge of various organizations for prevention and treatment services.

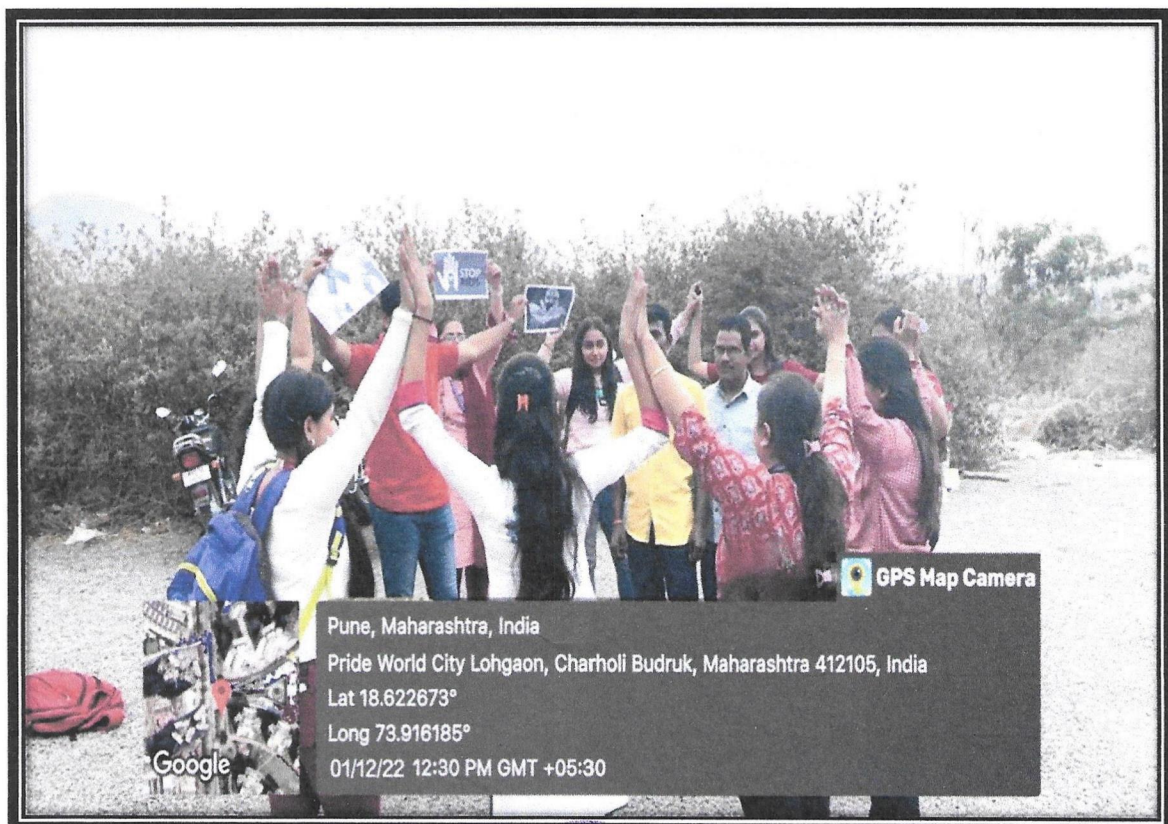

Details of the Program:

The program at Pride World City, Pune, commenced with an introductory session to labour explaining AIDS basics using informative posters. Interactive sessions elaborated on transmission modes and emphasized prevention measures like safe sex and regular testing. Personal hygiene importance was highlighted, with role-playing activities demonstrating supportive behaviors.

As part of the program's efforts to facilitate continued learning and awareness, informational pamphlets were distributed to participants. These materials served as valuable resources for further reference and reinforcement of the key concepts covered during the sessions. This comprehensive approach aims to empower participants to protect themselves and their communities from HIV/AIDS.

Glimpses of the Program:

Interactive sessions to elaborate the Disease Effects on overall Life with Labour Participants

Program Outcomes:

1. **Increased Knowledge:** Participants showed a significant improvement in understanding AIDS, its transmission modes, and preventive measures.
2. **Adoption of Prevention Practices:** Attendees demonstrated a commitment to practicing safe sex, avoiding needle sharing, and undergoing regular HIV testing.
3. **Reduced Stigma:** Role-playing activities and discussions led to a decrease in stigma and discrimination towards individuals living with AIDS.
4. **Community Engagement:** The program fostered increased community involvement in AIDS awareness and prevention efforts.
5. **Sustainable Behaviour Change:** Participants exhibited a continued adherence to preventive measures and active engagement in follow-up activities, indicating long-term effectiveness.

The AIDS awareness event served as an effective platform for promoting knowledge, understanding, and compassion regarding HIV/AIDS. By fostering an environment of empathy and support, the event contributed significantly to reducing stigma and empowering individuals to take proactive measures in preventing the spread of this disease.

Feedback:

Mrs. Radhika Shinde, a community member who attended the event, expressed her appreciation for the initiative taken by the Dr D Y Patil School of Management. She commended the comprehensive approach adopted in educating people about AIDS, noting that it was crucial to address such sensitive topics openly and accurately.

Ms. Nisha Sharma emphasized the importance of spreading awareness beyond the school premises and encouraged continued collaboration between schools and local organizations to combat the spread of HIV/AIDS in the community.

(Under IQAC)

Date: 28th December 2022

Venue: Khandoba Dongar, Lohegaon

Time: 10.30 am

Participants: Faculty Members, MBA I Year and II year Students

About the Program:

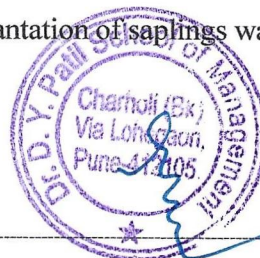

The tree plantation drive organized by the Dr D Y Patil School of Management aimed at promoting environmental sustainability and raising awareness about the importance of trees in mitigating climate change. Held on 28 December 2022, the event gathered students and environmental enthusiasts for the process.

Each group worked diligently to dig pits, plant saplings, and ensure proper watering and care. Additionally, informative sessions were conducted throughout the event to educate participants about tree species, planting techniques, and maintenance practices by the faculties.

Furthermore, the initiative served as an educational platform, empowering participants with knowledge about the vital role of trees in carbon sequestration, biodiversity conservation, and climate regulation. Through interactive sessions and hands-on experience, students gained a deeper understanding of environmental issues and pledged to adopt sustainable practices in their daily lives.

Outcome:

The students were enthusiastic about the plantation drive and participated with vigour. The students planted various varieties of plants and also took care of the existing plants by watering them and nurturing them. While planting the plants students ensured all care was taken regarding the pits and ensured proper plantation of saplings was carried out.

Dr D Y Patil School of Management College actively participated in the Swachh Bharat Abhiyaan, a nationwide cleanliness campaign initiated by the Government of India. The campaign aims to achieve the vision of a 'Clean India'. This report highlights the activities undertaken by Dr D Y Patil School of Management as a part of this campaign.

The primary objectives of our Swachh Bharat Abhiyaan activities were:

- To promote cleanliness and hygiene awareness among students, staff, and the local community.
- To contribute towards creating a clean and sustainable environment.
- To instil a sense of responsibility and citizenship among participants towards maintaining cleanliness.

The institute's participation in the Swachh Bharat Abhiyaan reflects its commitment to social responsibility and environmental sustainability. The activities undertaken not only contributed to a cleaner environment but also fostered a sense of collective responsibility towards nation-building. Moving forward, the college aims to sustain these efforts and continue promoting a culture of cleanliness and hygiene.

The students and faculties chanted slogans of cleanliness and gave a message of keeping the surroundings clean while reaching the venue, generating awareness of Swachh Bharat. The students and faculties cleaned the area by picking up the litter and disposing it off taking appropriate measures.

2. Increased understanding of eligibility criteria and application procedures.
3. Empowerment through financial literacy, enabling women to make informed decisions.
4. Facilitated networking and collaboration among women SHGs for collective empowerment.
5. Potential increase in the uptake of government financial schemes among women beneficiaries.

Photographs of the Session

Prof. Saini explaining about the benefits of the schemes

Prof. Varsha Patel and students giving small gifts to women after the session

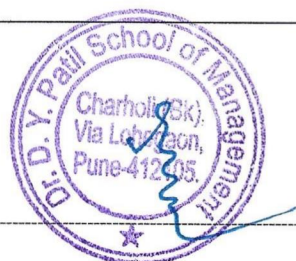

Feedback:

Mrs. Lande, a member of the local community, expressed her gratitude for organizing such an enlightening event. She mentioned that prior to the event, she was unaware of the various financial schemes available for women.

“The detailed explanations and interactive sessions helped her understand the significance of financial independence and how these schemes could positively impact her life. She also appreciated the organizers for their efforts in simplifying complex information and providing Hands-on assistance.” -Mrs Rekha

Mrs. Sunita stated that she now feels empowered to explore and utilize these schemes to improve her economic status and contribute to her family's well-being. She expressed her eagerness to share her newfound knowledge with other women in her community, thus amplifying the impact of the event

Conclusion:-

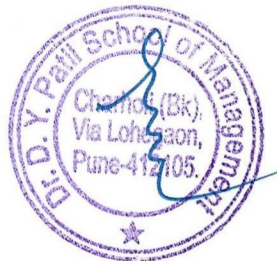

Women get to know about various aspects of financial concepts. Especially investment avenues like Mudra Loan, Stree Shakti Yojana, Udyogini, Post office Savings, Gold, Shares, SIP, Fixed Deposit and Recurring Deposit and others. Their enthusiasm led our students to share information and our students also got to know about women challenges in the society.

Name of the Event: The Community Safety Awareness

Date/ Day /Time: 15th February 2023, Wednesday 3.30 pm

Place: Ajeenkya Towers, Charholi, Pune

Total No. of Participants: 16

Introduction:

The Community Safety Awareness program held on February 15th, 2024, at Ajeenkya Towers labour at Charholi gaon, Pune, was organized by the Faculty and students of Dr. D Y Patil School of Management. This initiative aimed to educate and empower the local community regarding various aspects of safety and security.

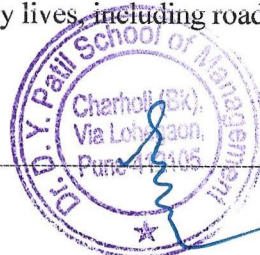

Objectives of the program

1. Raise awareness about the importance of community safety.
2. Educate participants on measures to prevent accidents and emergencies at work.
3. Provide training on first aid and emergency response techniques.
4. Foster a sense of responsibility and solidarity within the community towards safety.
5. Establish communication channels for reporting safety concerns and emergencies effectively.

Details of the program with photographs:

Introduction to Community Safety: The program commenced with an overview of the significance of community safety and its impact on individuals and society as a whole.

Workshops on Safety Measures: Interactive sessions were conducted to educate participants on various safety measures relevant to their daily lives, including road safety, fire safety, and home security.

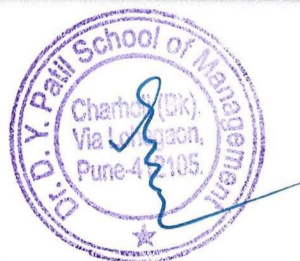

First Aid Training: Participants received hands-on training in basic first aid wound care, and handling medical emergencies.

Emergency Response Simulation: Simulated scenarios were enacted to familiarize labourers with practical steps to be taken during emergencies like accidents, natural disasters, or medical crises.

A question and answer session provided an opportunity for participants to seek clarification on safety-related queries and share their experiences and concerns. The program concluded with all participants pledging to prioritize safety in their daily lives and actively contribute to building a safer community by wearing proper shoes and helmets during work and more.

Photographs of the Event:

Program Outcomes:

The program succeeded in raising awareness among community members about various safety issues and the importance of proactive measures. Participants gained practical skills and knowledge to respond effectively to emergencies, thereby improving overall community preparedness. Coming together to address safety concerns, the program fostered a sense of unity and collaboration among residents. The dissemination of safety information and training is expected to contribute to a decrease in accidents, injuries, and property damage within the community. With better-trained individuals and established communication channels, the community's ability to respond promptly and efficiently to emergencies has been enhanced. Participants were empowered with the necessary skills and resources to take proactive steps towards their own safety and that of others.

Feedback from a community member regarding Program:

I want to express my gratitude for the Community Safety Awareness Program organized by Dr. D Y Patil School of Management. The informative sessions and demonstrations on safety measures were invaluable. I feel more equipped to protect myself and my family. The interactive nature of the program made learning engaging and accessible.

- Raju

The organizers' dedication to our community's safety is commendable. This initiative has sparked a sense of responsibility towards safety among us. I am hopeful for continued efforts in enhancing our community's safety. Thank you for prioritizing our well-being.

Place: - Zilla Parishad School, LandeWadi

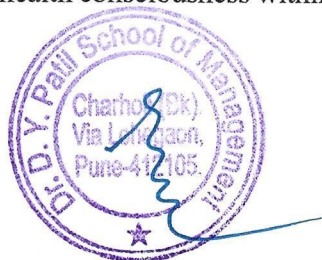

Total No. of Participants: 20

Introduction

The awareness event on self-hygiene was organized at ZP School with the aim of educating students about the significance of maintaining personal hygiene to prevent various health issues. The event was designed to instill good hygiene practices among students, empowering them with essential knowledge for a healthier lifestyle

Objectives of the program

1. To educate students about the importance of self-hygiene in preventing illnesses.
2. To promote good hygiene habits such as hand washing, dental care, and overall cleanliness.
3. To raise awareness about the connection between personal hygiene and overall well-being.
4. To empower students with practical tips and techniques for maintaining good hygiene practices.
5. To foster a culture of cleanliness and health consciousness within the school community.

Details of the program

The event was structured to engage students in interactive sessions and practical demonstrations to reinforce key hygiene concepts by including the following activities:

1. Educational Presentations: Health informative presentations highlighting the importance of self-hygiene and its impact on health.
2. Demonstrations: Practical demonstrations were conducted to illustrate proper hand washing techniques, dental care practices, and the importance of regular bathing and grooming.
3. Interactive Workshops: Students participated in interactive workshops where they learned about the role of hygiene in preventing the spread of diseases and how they can contribute to maintaining a clean and healthy environment.
4. Q&A Sessions: Students were encouraged to ask questions and seek clarifications on hygiene-related topics to enhance their understanding.

Photographs of the Event :

Students highlighting the importance of self-hygiene and impact on health

Program Outcomes:-

The awareness event yielded several positive outcomes:

1. **Increased Awareness:** Students gained a deeper understanding of the importance of self-hygiene and its impact on their health and well-being.
2. **Behavior Change:** Many students expressed a willingness to adopt healthier hygiene habits after participating in the event, such as washing hands more frequently and paying more attention to personal grooming.
3. **Knowledge Acquisition:** Students learned practical tips and techniques for maintaining good hygiene practices, empowering them to take proactive steps towards better health.

Feedback from community person:

Mr. Ram Prakash Lande, a community member who attended the event, shared his feedback: "I am impressed by the initiative taken by the D.Y.Patil School of Management to educate students about the importance of self-hygiene. This event has not only raised awareness among students but has also inspired them to take responsibility for their health. I believe such initiatives play a crucial role in building a healthier community, and I commend the efforts of everyone involved in organizing this event."

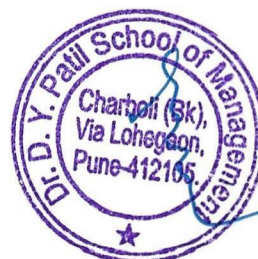

In conclusion, the awareness event on self-hygiene at ZP School was a resounding success, achieving its objectives of educating students, promoting good hygiene habits, and fostering community engagement. Moving forward, it is essential to sustain momentum by incorporating hygiene education into the school curriculum and organizing regular awareness activities to reinforce positive behaviors among students.

Date/ Day /Time: 29/04/2023, Saturday at 9.00 am

Place: Landevasti Zilla Parishad School, Shikrapur

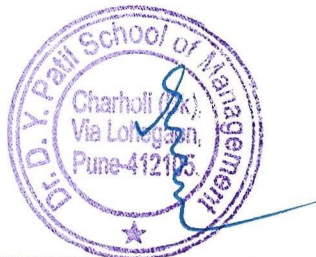

Total No. of Participants: 20

Introduction:

Our college's Extension and Outreach Program is dedicated to conducting awareness initiatives in rural villages and communities. One such endeavor took place at Zilla Parishad School in Landevasti, Shikrapur. With the active participation of our college students and faculties, the program aimed to address various community needs. The focus within the program was to implement and promote proper hand washing practices among the school students.

Objectives of the program:

1. To instill knowledge about the importance of hand washing and its role in preventing illnesses.
2. To encourage students to adopt regular hand washing as a habit.
3. To promote the use of sustainable and locally available resources for hand washing.
4. To engage the community in supporting and sustaining the hand washing initiative.

Details and Glimpses of the program:

The Hand Wash Awareness Program comprised several engaging activities:

- 1. Introduction Session:** A presentation on the significance of hand washing in maintaining personal and community health.
- 2. Practical Demonstration:** Demonstrating effective hand washing techniques, emphasizing key areas such as fingertips, nails, and wrists.
- 3. Student Engagement:** Involving students in hands-on activities to practice proper handwashing using available resources.
- 4. Discussion on Sustainability:** Highlighting the use of local resources for maintaining hygiene and minimizing environmental impact.

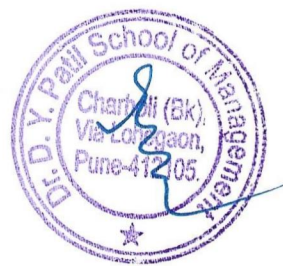

Glimpses of the Event:

Our Student demonstrating and Students of Z P School actively listening and learning to hand wash

Students practicing hand wash as guided by our students

Program Outcomes (Benefits to society):

- 1. Behavioral Change:** Students demonstrated a positive change in behavior, showing an increased understanding of the importance of hand washing.
- 2. Community Awareness:** The program helped raise awareness not only among students but also within the community about the critical role of hand washing in preventing diseases.
- 3. Sustainable Practices:** Encouraging the use of locally available resources for hand washing promotes sustainability and community ownership of the initiative.
- 4. Empowering Students:** The program empowered students with knowledge and practical skills to maintain good hygiene.
- 5. Reduced Disease Incidence:** By promoting regular hand washing, the program contributes to reducing the incidence of communicable diseases within the community.
- 6. Environmental Sustainability:** Encouraging the use of local resources for hand washing minimizes the environmental impact and fosters sustainability.

Feedback from community person:

We were delighted to receive positive feedback from the principal **Reshma AM. Shiekh**, a respected member of the Zilla Parishad School community who actively participated in the program, shared her thoughts on the impact of the Hand washing Awareness initiative:

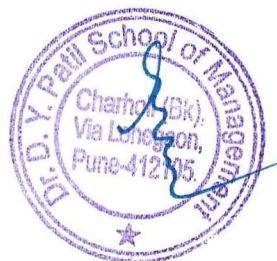

“I am truly grateful for the Extension and Outreach Program conducted by the college at our Zilla Parishad School. The Hand washing Awareness session, in particular, has left a lasting impression on our students and the entire community. The practical demonstrations and engaging activities not only educated our children but also instilled in them the importance of good hygiene habits”.-**Reshma Sheikh, Principal ZP School**

PROGRAM REPORT

(Under IQAC)

NAME OF THE EVENT: - HELP AN OLDER PERSON WITH TECHNOLOGY
DATE- 09/05/2023, Tuesday
TIME & PLACE- 4.00pm at Charholi gaon
TOTAL NO OF PARTICIPANTS: 15

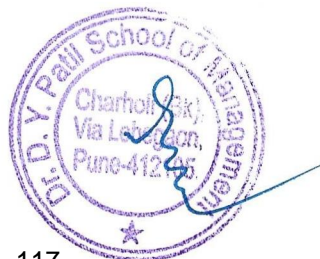

□ INTRODUCTION

This program aims to provide an overview of the status of Technology in village Charholi. The Digital Revolution has also extended to the Charholi Village, just like other rural communities, yet the majority of the older generation in the village are left behind because of limited access and in understanding of technology. This report demonstrates the effort made to fill the digital gap by providing help and assistance to the elderly in Charholi Village in appropriate use and purpose of technology. To address these challenges and empower older adults in Charholi Village, the "Help an Older Person with Technology" initiative was launched.

The initiative began with conducting a comprehensive needs assessment to identify the specific technological challenges faced by older adults in the village. Training sessions are organized to provide older adults with basic digital literacy skills, including how to use smartphones, tablets, and navigate the internet, and use popular applications such as messaging apps and online banking platforms.

□ OBJECTIVES OF PROGRAM-

1. Increase digital literacy among older adults in Charholi Village.
2. Provide personalized assistance and support to older persons in learning and using technology.
3. Foster intergenerational collaboration and community empowerment.
4. Enhance social connectivity and improve the quality of life for older adults.
5. Bridge the digital divide and promote digital inclusion in the village.

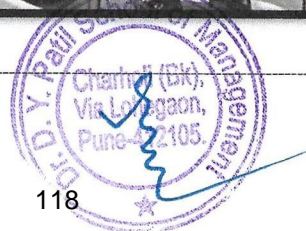

□ DETAILS OF THE PROGRAM WITH PHOTOGRAPHS-

Helping an older person with technology event took place at village Charholi. This event was conducted by MBA students of DYPSON with the help of MBA faculties on 9th May 2023 in village Charholi.

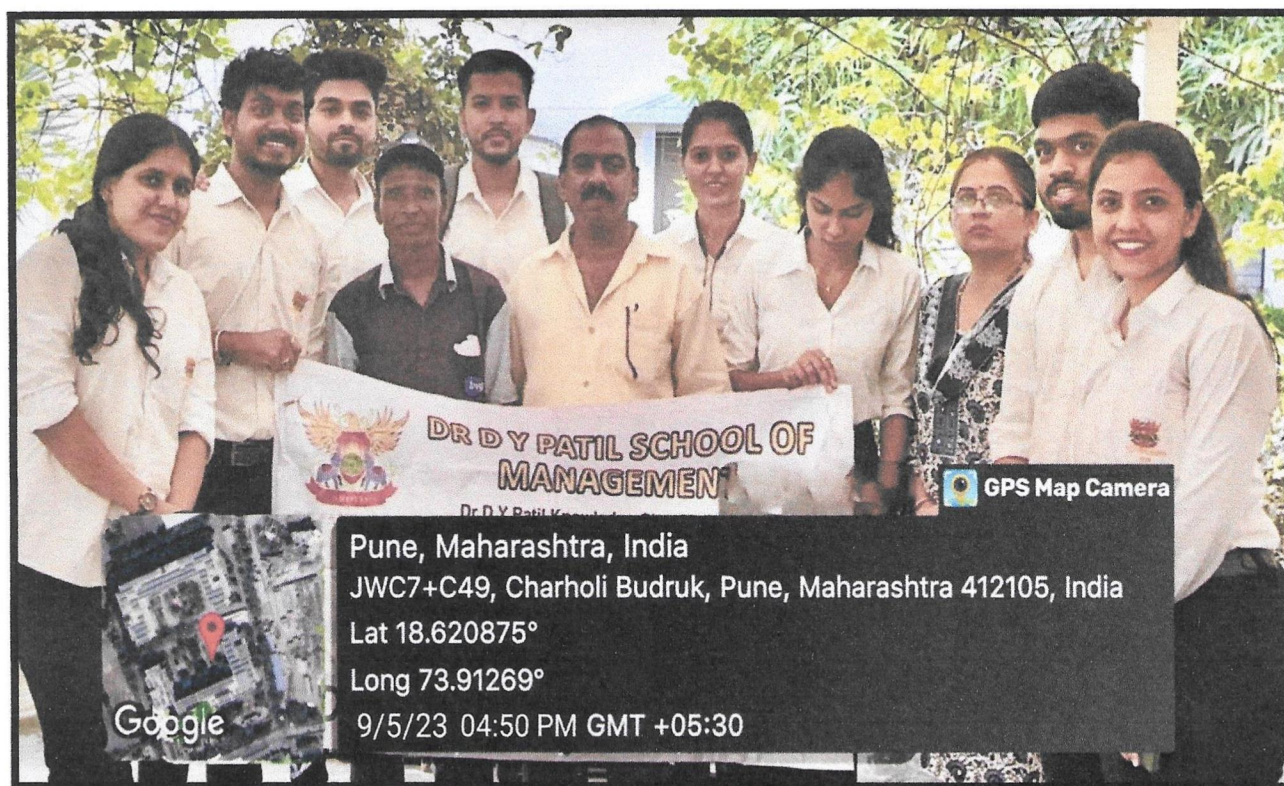

The program began with a comprehensive needs assessment to identify the specific technological challenges faced by older adults in Charholi Village, including their level of digital literacy, access to technology, and areas where they required assistance. Tailored training sessions were conducted to provide older adults with basic digital literacy skills. Trained youth volunteers were paired with older adults to provide individualized support and assistance. The program included ongoing support and follow-up to monitor progress and address any challenges or concerns. Regular check-ins and feedback sessions were conducted to ensure the effectiveness and relevance of the program, with volunteers providing additional assistance as needed.

□ PROGRAM OUTCOMES (BENEFITS TO SOCIETY)-

- The program has contributed to reducing the digital divide by empowering older adults with digital literacy skills and access to technology, ensuring they can participate more fully in the digital society.
- Older adults who have gained proficiency in using technology are now able to stay connected with family members, friends, and peers, fostering social interaction and reducing feelings of isolation and loneliness.
- By equipping older adults with digital literacy skills and fostering a culture of lifelong learning, the program has strengthened the resilience and capacity of the entire community to adapt to the digital age, promoting inclusivity and cohesion.

Feedback:-

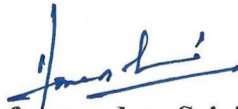

“Atleast someone has taken the effort of bridging gap between technology and our access. God bless them.”

-Mr P Desmukh

“Now I can send money through applications. There is no need to put money in the pocket”
