#### Tuition Fees

If your course is longer than one year, the tuition fee quoted is for the first year of study. Tuition fees normally increase each academic year. More information is available on our [website](#).

Your place at Essex has been finalised on the basis that you will be self-funding your tuition fees. If this changes at any point, and you expect any part of your fees to be paid from another source, please contact us at the email address at the top of this letter.

#### Academic Excellence Scholarship

Congratulations, you are eligible for the award of a University of Essex Academic Excellence Scholarship. The Scholarship is worth £4000 and is awarded on academic merit to students who are fully self-funded. The amount awarded will be deducted from your tuition fees. Terms and conditions for this award can be seen here: [www.essex.ac.uk/scholarships/academic-excellence-international-masters-scholarship/](http://www.essex.ac.uk/scholarships/academic-excellence-international-masters-scholarship/).

#### The Student Contract

You will have already received an email containing The University of Essex Student Terms and Conditions and the other documents which make up the Student Contract between you and the University of Essex. These documents are also available on your [myEssex applicant portal](#). The Student Terms and Conditions document sets out your rights and obligations to Essex as well as Essex's rights and obligations to you. These terms, and the other documents which will be sent to you by email (and are available on your portal), are important in relation to entering into a contract with the University. You were advised to read them in advance of accepting your offer with us, and it is important that you read them again before registering with the University of Essex.

By accepting this offer, you entered into a legal contract with the University of Essex.

#### Payment of Tuition Fees

Please refer to the Tuition Fee Payment Liability policy that was sent to you with your initial offer, as part of the 'Student Contract'. If you are a self-funded student, your tuition fees can be paid over three termly instalments. If you have paid a tuition fee deposit, the deposit amount will be deducted from the total tuition fees to be paid.

#### Information for Students Who Require a Student Visa to Study in the UK

If you need a Student visa to study in the UK, and we haven't yet been in contact with you, we will contact you from six months before the start of your course with a link to an online CAS questionnaire. You will need to complete this before we can issue your Confirmation of Acceptance for Studies (CAS). A CAS is issued after:

- we have received and reviewed your CAS questionnaire responses
- any other information and documents requested have been received and reviewed, and you have passed a credibility assessment where required

- any deposit has been paid (if needed)

You can track the progress of your CAS using the CAS tracker on your myEssex applicant portal.

Once your CAS has been issued, you will be able to access your CAS statement on your myEssex applicant portal.

If we find that you are unable to meet all Student visa requirements (including when there have been changes to those requirements made by the Home Office), we may not be able to issue you a CAS.

#### Graduate route eligibility

Students holding a Student visa who successfully complete a Masters or PhD course in the UK, and meet other relevant eligibility criteria, are able to apply for further immigration permission to remain in the UK for two or three years with a Graduate visa. If you are interested in applying after you finish your course, you'll need to meet all the Graduate route requirements, including studying in person in the UK from the start of your course. The scheme will only be open to those who have studied in the UK for a relevant period on a Student visa. If you start studying with another type of immigration permission, you may not be eligible. If you are interested in the Graduate route, see [our website](#) for more information and useful links.

#### Cost of Living

We understand the challenges our students, staff and applicants are facing during the current cost of living crisis. We believe in the value of community; in supporting people as best we can through difficult times. We have introduced a number of measures to provide assistance for our students and staff.

These have included introducing cheaper hot food options on campus; increasing our Hardship Fund total and reducing barriers to claiming support; creating new student employment opportunities across campus; including energy bills within accommodation costs; and more.

For more information, please see our [cost of living webpage](#).

#### Fee Status

Your fee status has been determined from the information provided in your application. We may review your fee status during the admissions process and we reserve the right to amend your fee status in accordance with UK Fees and Awards legislation in force at the relevant time. If you think that we have assessed your fee status incorrectly, you should contact Admissions using the contact details at the top of this letter. Please be aware that we are unable to change your fee status if you request this after 31 October of the first year of study or 4 weeks after the start of your course if your course does not start in October. Further information about fee status assessment can be found on our [fee status web page](#).
