## Notice

This is to inform all MBA students that our institute is organizing one day guest lecture session on Entrepreneurship Development.

Following are the details:-

**Topic-"Celebration of Entrepreneurs Day"**

**Speaker Name- Mrs Sonal Vaidya**

**Venue-E Class Room**

**Date -17.04.2024 Wednesday**

**Time-11.00 am.**

  
**Dr. Amandeep Saini**  
Coordinator

  
**Dr. Sumit Bankar**  
Co-Convener

  
**Dr Shreekala Bachhav**  
Convener

  
**Prof(Dr.) E B Khedkar**  
President/Director

**Date-30.04.2024**

**Report on  
"Start-Up Cell Activity"**

**Guest Speaker: Mrs. Sonal Vaidya**

**Topic: "Celebration of Entrepreneurs Day"**

**Date: 17.04.2024**

**Venue: e-Classroom**

**Speaker Profile:** Mrs. Sonal Vaidya is an experienced entrepreneur and business consultant with a passion for fostering innovation and entrepreneurship. With a background in business management and extensive experience in the start-up ecosystem, Sonal has been instrumental in supporting and guiding aspiring entrepreneurs on their journey to success. She is known for her dynamic approach and practical insights into the world of entrepreneurship.

**Objectives: -**

- To create awareness for entrepreneurship, innovation and leadership.
- To highlight the value of entrepreneurship, the role of innovation within society and role of younger generations for making India as an Innovation hub

**Details of Session:** A guest lecture on "Celebration of Entrepreneurs Day" was organized on 17.04.2024 for the MBA Semester 1 batch 2023-25 students. Sonal Vaidya graced the session as the guest speaker. She conducted an interactive and informative session focused on the intricacies of start-up culture and the activities involved in establishing and nurturing a start-up cell. Sonal shared her first-hand experiences and case studies, providing valuable insights into the challenges and opportunities in the start-up landscape. The session included discussions on ideation, business planning, funding options, and market strategies, tailored to equip students with practical knowledge and skills relevant to entrepreneurship.

**Outcome of the Event:**

- Enhancing understanding of start-up culture and ecosystem.
- Stimulating entrepreneurial mindset and creativity among students.
- Providing practical insights into the process of establishing and managing a start-up cell.
- Encouraging students to explore entrepreneurial opportunities and pursue innovative ventures.

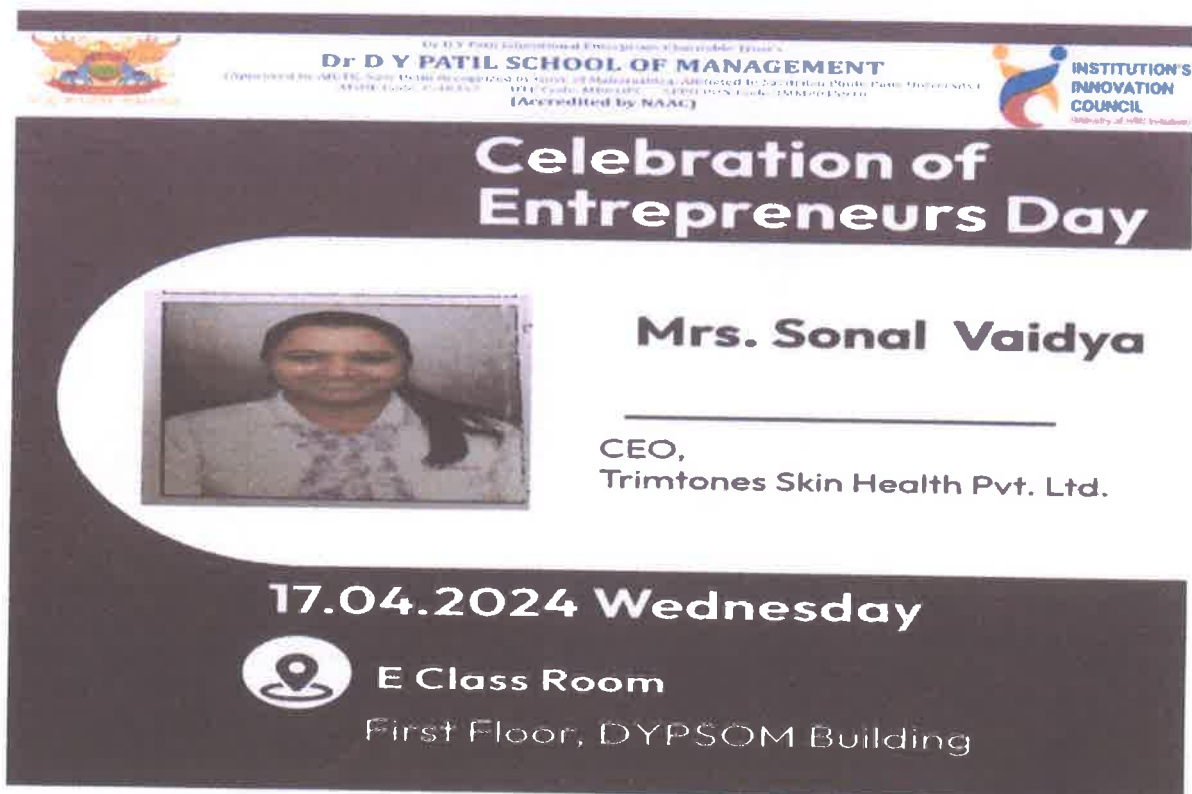

- Fostering networking and collaboration among students interested in entrepreneurship.

#### Feedback from Students:

1. **Ritu Singh:** Sonal Vaidya's session on start-up cell activity was incredibly enlightening. Her practical approach and real-life examples helped me grasp the complexities of the start-up landscape. I particularly appreciated her emphasis on the importance of innovation and adaptability in entrepreneurship. I feel inspired to explore entrepreneurial opportunities and apply the strategies she shared in my future endeavors."
2. **Manoj Shinde:** "Attending Sonal Vaidya's lecture was a transformative experience for me. Her expertise in the start-up ecosystem was evident, and I gained valuable insights into the various stages involved in establishing and scaling a start-up. I found her tips on networking and seeking funding particularly useful. I'm grateful for the opportunity to learn from such a seasoned entrepreneur."

Overall, Sonal Vaidya's guest lecture on " Celebration of Entrepreneurs Day " proved to be highly beneficial for the students, equipping them with practical knowledge and inspiration to pursue entrepreneurial ventures and contribute to the start-up ecosystem

### Report on "Revenue Generation for Startups" (Under IQAC)

**Guest Speaker:** Mr. Shubham Doshi

**Topic:** "Revenue Generation for Startups"

**Date:** 04.04.2024

**Venue:** e-Classroom

#### **Speaker Profile:**

Mr. Shubham Doshi is a Senior Lead Trainer at Principal Global Services, a well-renowned company specializing in financial services and IT solutions. His expertise in business development, revenue generation strategies, and financial management for startups. Mr. Doshi has mentored several startups and has been instrumental in helping new entrepreneurs grow their ventures through effective revenue strategies.

#### **Details of the Session:**

The guest lecture was organized on 04.04.2024 for the MBA Semester 2 batch 2022-2024 students. Mr. Shubham Doshi, the speaker for the day, delivered an insightful and interactive session on revenue generation strategies for startups. The session included real-life examples, case studies, and discussions on practical challenges faced by startups in managing finances and generating revenue streams. Total 51 students attended the session.

#### **Mr. Doshi covered several important topics, including:**

- Identifying viable revenue models for different industries.
- Key strategies to boost revenue during early-stage startup development.
- The importance of cash flow management and financial planning.
- Various methods to secure funding and build financial sustainability.

### Outcome of the Event:

- Students gained a thorough understanding of revenue models and strategies for startups.
- Enhanced ability to create, evaluate, and implement revenue generation plans.
- Learned the importance of managing cash flow and financial sustainability.
- Improved understanding of customer acquisition and retention strategies.
- Motivated students to develop innovative revenue solutions tailored to their startup ideas.

### Bilal Pathan

*"The session on 'Revenue Generation for Startups' by Mr. Shubham Doshi was incredibly insightful. I learned a lot about different revenue models and how important it is to focus on cash flow and sustainability from the very beginning.*

### Namita Rathod

*"I found Mr. Doshi's lecture to be extremely helpful, especially his emphasis on adapting revenue strategies according to market changes. The way he explained different ways to secure funding and ensure long-term financial stability was very practical.*

### WORKSHOP REPORT (Under IQAC)

**Seminar Title: "Guidance on Research Project Preparation"**

**Speaker Name: Dr.Yogesh Bhowte, Pune**

**Venue: E-class Room, Management Building**

**Date: 29.3.2024**

**Time: 10.00am to 1.00 pm.**

#### Introduction:

A workshop on Research Methodology was successfully organized on 29th March 2024, aimed at providing participants with valuable insights into research project preparation. The session was conducted by **Dr. Yogesh Bhowte**, a distinguished Professor, Research Guide, Consultant, Trainer, Academician, and HOD from Pune. This initiative was designed to enhance the research acumen of participants and guide them on preparing comprehensive and impactful research projects. Total 39 students & all faculty members were present.

#### Objectives:

The primary objective of the workshop was to equip students and researchers with:

- A clear understanding of research project frameworks.
- Best practices in selecting, designing, and implementing research methodologies.
- Tools and techniques to improve the quality and relevance of their research work.

## Dr.Yogesh Bhowte explaining Research Project Requirements

### Outcomes of the Seminar

**The workshop led to the following outcomes:**

1. **Enhanced Understanding:** Participants gained a clear understanding of research methodologies and frameworks.
2. **Practical Knowledge:** Students and researchers learned to design, execute, and present research projects effectively.
3. **Improved Analytical Skills:** Exposure to tools and techniques for data analysis helped participants refine their research approaches.
4. **Actionable Insights:** Participants identified actionable steps to overcome common research challenges.
5. **Inspiration for Future Research:** The session inspired participants to pursue research with a systematic and innovative approach.

## Workshop Highlights:

The workshop began with a warm welcome by the organizing committee, followed by an engaging session by Dr. Yogesh Bhowte.

Key highlights included:

1. **Research Fundamentals:** Explanation of the importance and scope of research in academic and professional settings.
2. **Project Preparation Framework:** Step-by-step guidance on identifying research topics, formulating objectives, and drafting proposals.
3. **Methodology Design:** Choosing appropriate qualitative and quantitative methods tailored to research objectives.
4. **Tools & Techniques:** Introduction to tools for data collection, analysis, and interpretation.
5. **Common Pitfalls:** Avoiding errors in research processes and ensuring adherence to ethical guidelines.
6. **Interactive Q&A Session:** Participants actively engaged with Dr. Bhowte to clarify doubts and seek advice for their ongoing or planned research projects.

## Glimpses of the Workshop:

### Research Head Dr.Chetan Khedkar felicitating Dr. Bhowte

## Dr. Yogesh Bhowte explaining Research Project Requirements

### Outcomes of the Seminar

**The workshop led to the following outcomes:**

1. **Enhanced Understanding:** Participants gained a clear understanding of research methodologies and frameworks.
2. **Practical Knowledge:** Students and researchers learned to design, execute, and present research projects effectively.
3. **Improved Analytical Skills:** Exposure to tools and techniques for data analysis helped participants refine their research approaches.
4. **Actionable Insights:** Participants identified actionable steps to overcome common research challenges.
5. **Inspiration for Future Research:** The session inspired participants to pursue research with a systematic and innovative approach.

## Workshop Highlights:

The workshop began with a warm welcome by the organizing committee, followed by an engaging session by Dr. Yogesh Bhowte.

Key highlights included:

1. **Research Fundamentals:** Explanation of the importance and scope of research in academic and professional settings.
2. **Project Preparation Framework:** Step-by-step guidance on identifying research topics, formulating objectives, and drafting proposals.

5. **Common Pitfalls:** Avoiding errors in research processes and ensuring adherence to ethical guidelines.
6. **Interactive Q&A Session:** Participants actively engaged with Dr. Bhowte to clarify doubts and seek advice for their ongoing or planned research projects.

## Glimpses of the Workshop:

### Research Head Dr.Chetan Khedkar felicitating Dr. Bhowte

## Students Feedback

### 1. Feedback by Mr. Manas Nanda (Mba, Sem- IV):

"The workshop was incredibly insightful and well-organized. Dr. Bhowte's session provided me with a clear understanding of how to select and structure a research topic effectively. The practical examples and interactive discussion made the concepts easy to grasp. I feel much more confident about starting my own research project now."

### 2. Feedback by Mr. Karan Kohle (Mba Sem-IV):

"This workshop was highly beneficial for someone like me who is in the early stages of research. The tools and techniques introduced by Dr. Bhowte were practical and easy to implement. The session also addressed common pitfalls, which was very helpful. Overall, it was a valuable experience."

# Industrial Visit to Technoform Industries.

Key Learnings

The industrial visit offered students several valuable insights:

**Understanding of Small Startup Operations:** Gaining practical knowledge about the operations and management practices of a small startup company.

### COMPANY PROFILE

Technoform Industries is a small yet dynamic startup specializing in the manufacturing and dealership of various packaging materials, including stretch film, pallets, boxes, and polybags. The company has shown significant growth and innovation, setting a benchmark in its field.

**Manufacturing and Product Development:**

Learning about the manufacturing processes and product development strategies in the packaging industry.

**Entrepreneurship Exposure:**

Exposure to entrepreneurship and small business management, highlighting the innovation and resilience required in competitive markets.

**Appreciation of Startup Growth:**

Recognizing the innovation and resilience demonstrated by startup companies, even in competitive markets.

**Details of the Visit:**

**Company: Technoform Industries**

**Date: 17.02.2024**

**Meeting Point: E-Class Room DYPSON Campus**

### **Industrial Visit Report**

**Date- 19.02.2024**

### **(Under IQAC)**

Company: **Technoform Industries**

Date: **17.02.2024**

#### **Introduction:**

On 17.02.2024, MBA students of our institute embarked on an industrial visit to Technoform Industries. The visit aimed to provide students with practical insights & entrepreneurship skill development into the operations and management practices of a small startup company engaged in the manufacturing and dealership of packaging materials.

#### **Company Profile:**

Technoform Industries is a small startup company specializing in the manufacturing and dealership of all types of packaging materials, including stretch film, pallets, boxes, polybags, etc. Despite its small size, the company has demonstrated remarkable growth and innovation in its field.

#### **Visit Details:**

The industrial visit commenced on 17.02.2024 from the institute premises. Upon arrival at Technoform Industries, students were welcomed by the company representatives and given an overview of the company's operations.

During the visit, students had the opportunity to tour the company's facilities and observe firsthand its manufacturing processes, product inventory, and distribution methods. They gained insights into the challenges and opportunities faced by small startup companies in the packaging industry.

## Key Learnings:

The industrial visit provided students with several key learnings, including:

- Understanding of the operations and management practices of a small startup company.
- Insight into the manufacturing processes and product development strategies in the packaging industry.
- Exposure to entrepreneurship and small business management.
- Appreciation for the innovation and resilience demonstrated by startup companies in competitive markets.

## Photographs of the Industrial Visit:

**Student Feedback:**

**" The visit to Technoform Industries was an eye-opening experience. It gave me valuable insights into the challenges and opportunities faced by small startup companies in the packaging industry."**

-Sajid Hussain

**"I was impressed by the innovation and determination displayed by Technoform Industries in its operations. The visit inspired me to explore entrepreneurship opportunities in the future."**

-Bilal Pathan

**"The industrial visit provided a unique opportunity to see firsthand the workings of a startup company. It was a valuable learning experience that will stay with me throughout my career."**

-Prachi Nirwan

**Conclusion:**

The industrial visit to Technoform Industries was a valuable learning experience for MBA students. It offered practical insights into the operations and management practices of a small startup company in the packaging industry. We extend our gratitude to Technoform Industries for hosting us and providing us with this invaluable opportunity.

### **Report on**

### **Expert Session in Qualitative Research Methods**

**Name: Prof. Meghraj Barbole**

**Title: 'Expert Session in Qualitative Research Methods'**

**Topic: "Qualitative Research Methods Workshop: Techniques & Best Practices"**

**Date: 16.02.2024**

**Venue: Seminar Hall 1**

**Total Participants-42**

**Speaker Profile:** Prof. Meghraj Barbole is a distinguished authority in the field of qualitative research methods. With extensive experience in academia and research, He possesses a deep understanding of qualitative methodologies and their applications across various disciplines. His expertise encompasses qualitative data collection techniques, analysis methods, and best practices, making him a valuable resource for scholars and practitioners alike.

**Details of Session:** On 16.02.2024, MBA students had the privilege of attending a workshop on "Qualitative Research Methods: Techniques & Best Practices" facilitated by Prof. Meghraj Barbole. The session aimed to equip participants with the necessary skills and knowledge to conduct effective qualitative research. He guided attendees through various qualitative research techniques, emphasizing best practices for data collection, analysis, and interpretation. The workshop featured practical demonstrations and case studies to illustrate key concepts and methodologies.

**Outcome of the Event:** The workshop on qualitative research methods led to several beneficial outcomes for the participants:

- **Enhanced Understanding:** Participants gained a deeper understanding of qualitative research methodologies, including data collection techniques such as interviews, focus groups, and observation.
- **Improved Analytical Skills:** Prof Meghraj guidance enabled attendees to develop proficiency in qualitative data analysis, including techniques such as thematic coding, content analysis, and narrative analysis.

### **Report on Management Fest Organized by Dr. D.Y. Patil School of Management Students**

#### **Under IQAC**

**Date of Event:** 15th March 2024

**Organized by:** Dr. D.Y. Patil School of Management

**Event Type:** Management Fest with Various Stalls

**Students Participated-** 50

#### **1. Introduction**

The Management Fest held on 15th March 2024 by Dr. D.Y. Patil School of Management was an exciting event that highlighted the creativity, organizational skills, and entrepreneurial spirit of the students. The event provided a platform for students to exhibit their talents through various engaging stalls, fostering a dynamic environment of learning and interaction.

#### **2. Objective of the Event**

The primary objectives of the event were:

- To provide students with an opportunity to display their management skills and innovative ideas.
- To foster creativity, teamwork, and entrepreneurship.
- To offer an interactive learning experience through various business-related activities.

#### **3. Event Highlights**

The Management Fest was filled with vibrant activities, with a focus on stalls and interactive exhibits.

Key highlights of the fest included:

Dr D Y Patil Educational Enterprises Charitable Trust's

- **Stalls and Exhibitions:** A variety of stalls were set up, each representing different aspects of management, business strategies, and entrepreneurship. These stalls allowed students to present and engage in hands-on activities that mirrored real-world business environments.
- **Competitions:** Several exciting competitions took place throughout the day, including business plan presentations, case study challenges, and management quizzes. These competitions tested the participants' problem-solving and decision-making abilities.

### 4. Stalls Overview

The event featured a diverse array of stalls that were the main attraction, offering both fun and educational experiences for the participants. Some of the most notable stalls included:

- **Entrepreneurship Stall:** This stall focused on showcasing student-driven business models and ideas. Participants had the opportunity to interact with budding entrepreneurs and learn about the process of starting and running a successful business.
- **Financial Management Stall:** This stall offered practical knowledge on managing finances, investments, and budgeting. Interactive games and simulations allowed participants to apply financial management concepts in real-time scenarios.
- **Marketing Strategy Stall:** Students at this stall displayed creative marketing strategies, advertising campaigns, and branding techniques for various products. Participants had the chance to learn about digital marketing and traditional marketing practices.
- **Innovation and Tech Stall:** Emphasizing the role of technology in modern business, this stall presented innovative tech-driven solutions such as AI applications, digital tools, and software solutions that help businesses operate more efficiently.

### 5. Audience Participation

The fest saw strong participation from students, faculty, and visitors. The stalls were designed to encourage active engagement, with attendees participating in competitions, quizzes, and interactive

activities. The event allowed participants to learn and apply management concepts while enjoying a fun, engaging atmosphere.

### 6. Feedback and Impact

The overall feedback from participants and faculty was highly positive. The stalls provided a practical learning experience that complemented the theoretical knowledge students gain in their courses.

Many students expressed appreciation for the interactive nature of the event and the opportunity to demonstrate their skills in real-world contexts. The fest also provided an excellent networking opportunity, fostering collaborations among students from different departments and backgrounds.

The various activities and stalls helped reinforce the importance of creativity, leadership, and strategic thinking in management. The event not only benefitted students in terms of learning but also served as a valuable platform for showcasing their skills to peers and faculty.

### 7. Conclusion

The Management Fest held by Dr. D.Y. Patil School of Management on 15th March 2024 was a resounding success. The event provided a dynamic and interactive environment where students could showcase their management abilities through various stalls and competitions. It served as an effective platform for learning, innovation, and collaboration.

The fest's success is a testament to the hard work and creativity of the students, and it has set the stage for future events that will continue to enhance the students' academic and professional growth.
