Dean sir talked about the significance of celebration of Vasant Panchmi as it welcomes the spring season in most parts of India.

Director sir addressed the students and faculties and highlighted the significance of Goddess Saraswati on the occasion of Vasant Panchami. Vasant Panchami is the festival dedicated to goddess Saraswati who is their goddess of knowledge, language, music, and all arts. She symbolizes creative energy and power in all its forms, including longing and love. The season and festival also celebrate the agricultural fields' ripening with yellow flowers of mustard crop, which Hindus associate with Saraswati's favorite color. People dress in yellow saris or shirts or accessories, share yellow-colored snacks and sweets

The Vasant Panchami celebration at DYPSON was a resounding success, bringing together students and faculties in a spirit of joy and learning. The event not only highlighted the cultural significance of the festival but also reinforced the institute's commitment to nurturing creativity and knowledge.

The vibrant celebration of Vasant Panchami at the institute was a memorable experience that enriched the community's cultural fabric and encouraged a love for learning and creativity.

On August 15, 2023, India celebrated its 76th Independence Day, marking a significant milestone in the nation's history. The day was observed with a spirit of patriotism and reflection on the journey since 1947.

After the flag was hoisted at the hands of Prof. (Dr.) E. B. Khedkar sir, Director and singing of the National Anthem, the cultural program began, highlighting India's rich and varied heritage. Students energetically performed traditional dances and songs, reflecting the unity in diversity that characterizes our country.

The celebrations of Independence Day at the Dr. D.Y. Patil School of Management campus was marked by a deep sense of pride and reflection. Students and faculties alike engaged in various activities that honoured the sacrifices of freedom fighters and reinforced their commitment to the nation's growth. The day served not just as a commemoration of past struggles but also as a call to action for the youth to actively participate in shaping the future of India.

The Independence Day observance at the campus honoured the legacy of our freedom fighters. It fostered a deep sense of pride and unity among attendees, reaffirming our dedication to the values of freedom and progress. The celebration at DYPSON went beyond being just an event; it was a reaffirmation of our shared responsibility to honour and protect the hard-won freedom of our nation.
